

Winner Versus Loser

The Winner - is always a part of the answer,

The Loser - is always part of the problem

The Winners - always has a program,

The Loser - always has an excuse,

The Winner - says "Let me do it for you,"

The Loser - says "That's not my job"

The Winner - sees an answer for every problem,

The Loser - sees a problem in ever answer,

The Winner - sees a green near every sand trap,

The Loser - sees two or three sand traps near every green,

The Winner - says "It may be difficult but it's possible,"

The Loser - says "It may be possible but it's too difficult"
